Dear Aunt Sylvia,

How are you feeling?

We are having a great time here in Florida. When we were in Disney World, we had a wonderful time. If you read Marc's letter yet, he probably told you about our little incident, I really enjoyed it.

It was a long, hard ride here although it seemed short. While shopping, our car broke down and we had many problems but nothing serious.

How is the weather? It is pretty cold, but nothing compared to what I heard you had. Say hello to Mimi for me.

Love,
Robert
