

4/20/81 JK reached
Kudsen, very nice. Yes, he
was at Bethesda, did go to
Andrews. Went to White House
→ Bethesda, contacted Adam
Burkeley to gain entrance.
Was there much of the time,
photographed in anteroom,
mainly the lobby, walked out
with his films, took it back to
Wt & developed it. On
4/27 turned over films and
negatives to SS. It was
interviewed by HSCA. Had
specific disagreements w/ HSCA
people & feels obliged not to
discuss his interview.
