

4/29/81 Jones Harris - just got 98
phone = lifton. Parents are trying
get him out. Feels can only afford
\$800 rent. Has not called the widow
Smith. Jones asked re Pitloch newsletter
on Knudsen, he said "is only horse shit".
Then said, someone got in touch with him
who learned from retired SS agent
that Shirley's open autopsy was given
bundle of pictures by Kellerman.
