Dear Sylvia:

I recently ordered and received my copy of your book, Master Index to the JFK Assassination Investigations. Congratulations on a job well done!

In the next edition, please don't forget to add my name to the list of "CRITICS OF THE WARREN REPORT" (see page 313). Among the many things that I hope will be said about me when I am being honored in life or death at the age of 100, is that I was very much a critic of the Warren Report!

With warmest personal regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
