Dear Ms. Meagher:

I am a graduate student at Drake University, Des Moines, Iowa taking a course on the John F. Kennedy assassination controversy. In order to receive graduate credit for this course, I am required to complete a special project. In light of recent revelations in the case, I am interested in current evaluations by critics of the Warren Report and assassination investigation.

Your book, Accessories After the Fact, became one of the basic reference guides for critics of the Warren Commission. I would greatly appreciate an opportunity to talk with you about the assassination controversy. May I call you some evening soon and ask you a few questions about your current attitudes regarding the assassination?

With your permission, I would like to tape the interview. I assure you that nothing in the interview will be used for publication.

Thank you for your consideration in this matter. I look forward to hearing from you.

Sincerely,

Brenda C. Roth
