Dear Sylvia.

Safe & sound at 302 after enjoying
3 magnificent days of holiday.

It's hard to believe that just a
few hours ago I was walking along
a totally bumpety beach with long
rolling waves that seemed an
eternity from Manhattan.

You are a most generous &
precious hostess to have made all
this possible for me, your house
you hospitalized and your friends -
all of you made me feel so
welcome.

Enjoy the rest of July in that
perfect environment & I wish you
many, many more happy holidays
to spend with you & yours. J.

To thank you
Sincerely, for
everything
kds of love
Joan.

* Sends fond regards to Mum.

* Pumpkin was fine & very
pleased to have her one back!!!
