Dear Professor Kurtz,

For about a year I have encountered mentions of your forthcoming book on the JFK assassination, Crime of the Century. You will understand that I am eager to obtain a copy of the book as soon as it is available.

I will be most grateful if you would write and tell me (1) the publication date, (2) how I can expeditiously obtain the book, and (3) if you are willing to disclose it, do you accept or reject the findings of the Warren Commission and/or the House Select Committee on Assassinations?

In the light of the many shoddy and sensational works published on this subject, I am really looking forward to what promises to be a work of serious scholarship and substance.

With all good wishes,
