Sylvia,
I'm so sorry for the delay in
returning the globe piece. I gave it
to someone at Telepac to read and he
took it home. I just did get it
back after nagging him for weeks.
I made some reduced copies
for you. Let me know if you want some
more.

Guess what. Arbitron is going
to send me on a field trip that will include
a full week in Dallas.
See you soon. Happy New Year.

Love,
Jerry
