Dear Sylvia:

I am sure that you will recall the vicious hatchet job that Jacob Cohen did on me some years ago at the behest of the Executive Director of the Rockefeller Commission, who supplied him with confidential information derived from testimony given by me and others before the Commission.

I thought you would be interested in the enclosed article, especially the last paragraph.

I hope that you are enjoying good health, and that everything is moving along well for you in all your endeavors.

With kind regards.

Sincerely,

A handwritten signature in cursive script that reads "Cyril".
