Dear Sylvia:

Thank you for responding so quickly.

Needless to say, I agree with you completely concerning Cohen and that other reptile, Blakey.

I was pleased to learn that you are enjoying good health, and that everything is moving along quietly and happily.

Incidentally, I have been endorsed by the State Democratic Committee for the United States Senate, and shall be running against the incumbent multi-millionaire, John Heinz. It is quite a formidable undertaking. However, if things continue as they are at the national and state level, I have a good chance of succeeding.

I hope that we shall have an opportunity to get together sometime in New York.

With warmest regards.

Sincerely,
