

Dear Aunt Sylvia, [July 13]

I am fine, how are you? I'm really enjoying camp. I'm writing to everyone I can think of. I can't think of much to write right now. I can't wait to see you when I come home.

How are your cats? Are they getting along? Tonight I am planning to go roller skating with the kids in my bunk.

Last night we saw a good movie called "Breaking Away." Please write back soon.

Love,  
Rob
