

Dear Sylvia -

It's 2:00 a.m. and the
poker game is just breaking
up. It is a side betting night
in the city, and while we leave
your breezes on the island,
we're betting to 1 that you
haven't found a better
poker game!

We miss you at the table!
Susan

We invented some crazy new
games tonight - and I lost
my shirt! Please come
back to us with some
wild-card games I can win!

Mickey

DEAR SYLVIA,

LET US KNOW WHEN YOU'RE BACK IN TOWN.

WE PLAYED NIGHT BASEBALL AND MISSED YOU.
"THERE" AND THE "JEWISH PRINCESS."
OUR LOVE TO THE KID¹ AND THE "MIM, PRINCESS."
HAVE A WONDERFUL BEACH.

JOY,
SHEILA

Dear Sylvia -

I think I am a very felice
replacement for you - kind and
topical. Hope you are having a sunny
time

Bertha.

Be wary of raining on fine things
if it's a night baseball; tonight's a
lesson. Hope you can make the next one,
Austin
