CHASE

Mrs. Sylvia Meagher
302 West 12th Street
New York, NY 10014

Dear Mrs. Meagher:

I was pleased that you had forwarded to me a copy of your letter to our President, Mr. Thomas Labrecque, regarding Mrs. Marcella Knox. It is always so rewarding when we hear such compliments concerning any of our staff. Although we attempt to have all of our people follow the example of Marcella, we are not always that successful. She is a very warm person, and you can be certain that I will make her aware of your kind words.

Sincerely,

Peter S. Abramczyk,
Vice President
