Dear Sylvia:

You are a friend to us.
This time your feelings
for Leonor come through
unmistakably.

You have given your
time, your house, your
food, your bed, your
helping hand and fruitful
insight into the many
problems of life.

The gift of your self so
unselfish, so spontaneous,
so effective, so on target
will always remain in my memory
making out of me the loyal
of your friends.

Personal

...I'm just
wild
about it!

Love

Jose
