

June 28

Dear Aunt Syl,  
I'm having a wonderful  
time at camp. It's a nice  
change from East Brunswick.  
I like the people here; they're  
much friendlier than the  
people at my old camp. I  
haven't seen you in such  
a long time, I miss you  
a lot. I'm very excited about  
going to Israel next month.  
Have you ever gone there? I  
heard that it's terrific!  
Well, I have to go to dinner  
now. Write back to me!

Love,  
Robert
