

Dear Aunt Syl,

July 8

I'm having a terrific time here at camp. I'm playing lots of tennis, basketball, softball, & swimming. I found it hard to find time to write letters or practice guitar. I've made lots of new friends & have become reacquainted with friends from last year. Rumor has it that your birthday is on the 17th. Have a happy one! The summer is going by so fast. I'll be home in less than 6 weeks. I could give you a call someday if you want (it would have to be collect). My camp address is:

Robert Kaplan
 Camp Harlan
 Leesville, Pa.
 18333

How is my favorite aunt doing? Are you still going to your swim club? My bunk gets along great! I have to get ready to go to dinner now. Please write back.

Boys-Cali'13

love,
Rod
