My dearest Annie & Child of Life
You know how close I feel to you
& how much patience you have
& expect from me in my life time &
have again & in fact I do have to
Now I shall be dutiful journey Ome
Day I shall be placed & safe
& you will be thankful for always being
Kind & thankful for all your love
Have for me & how sensible you
have been to me & how correct & nice
& most faithful & true you have been
and hope & trust me & I will ever
Shew myself worthy of you & from both of us
Dear Annie
