

ROYALTY REPORT FOR 1985

February, 1986

Dear Publisher or Author:

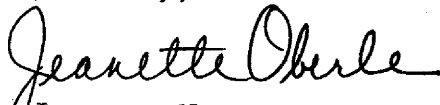

We are pleased to enclose your check and statement for royalties earned on sales of your titles in Books on Demand during 1985. The statement includes only those titles which sold at least one copy during the past year.

We have also enclosed a separate list which includes all your titles available in Books on Demand and their current prices. Along with the list is a page which explains our codes and provides ordering information. The list only provides you with an abbreviated author and title, but the complete bibliographic information about your book(s) appears in our catalogs.

As in the past, we request that you continue to direct customers to us for your out-of-print titles. To make this task easier, we would be glad to forward a supply of referral postcards (sample enclosed) to you. Upon your request, we will also generate a camera-ready list of your books for use in your catalog, etc. These lists will include full bibliographic information for each title, catalog numbers and current prices.

We appreciate your continued participation in Books on Demand very much. As always, we welcome your comments and suggestions.

Sincerely,

Jeanette Oberle
Publisher Relations
Books on Demand

USEFUL ORDER INFORMATION FOR YOUR
CUSTOMER SERVICE DEPARTMENT FROM THE PRICE LIST
"BOOK MASTER BILLING FILE IN ROYALTY CODE SEQUENCE."

UMI ORDER NUMBER appears under the CATALOG column. Please refer to this number when placing an order. Books with 2,000,000 order numbers and the AU prefix are available in hardcopy only. All others with order numbers beginning with prefixes OP, CD, PB, BH, etc., are available in hardcopy and on 35mm roll microfilm.

PRICE of your books appears in the righthand column. The microfilm price (MIC\$) appears first. The paperbound reprint price (XER\$) appears in the last column and is the highest price. Cloth bindings are \$6.00 more per volume. Prices listed are U.S. and Canadian. Please add 15% for delivery to the rest of the world. Shipping and handling charges are additional. Pre-payment is required from individuals. All books are sold on a nonreturnable basis.

The spelling of AUTHOR and TITLE is abbreviated because information about each book has been limited to one line. Please be assured that the complete author and title entry appears in all promotions.

If you cancelled titles from the program in the past, you will see the word CANCEL under the column X-BOOK. If a new order number was assigned, it will appear here.

Address orders to:

University Microfilms International
