

June 10, 1987

Dear Sylvia--

Letha and I so enjoyed our visit with you in New York, after so long.

I am enclosing the New Republic editorial on the ~~20th~~ anniversary of the Six-Day War (probably by Martin Peretz), which you may not have seen.

It struck me as the most brilliant summing-up of the meaning of that war and its aftermath that I've seen-- uncompromising in its moral and intellectual clarity.

Love,
Ray
