Dear Ms. Meagher:

I enjoyed speaking with you this evening. It has, indeed, been a long time, but I was flattered that you recalled the conference I organized all those years ago at NYU.

Enclosed is a short blurb from the Christic Institute. They are doing some grand things on a very skimpy budget, and I am sure they can use all the assistance they can get. Their lawsuit is potentially the most important development in years...or decades.

I have written to Tom Davis Books. If they are no longer in business or cannot help me, I'll be back in touch. In the meantime, thanks for suggesting them to me.

Best,
