Dear Ms. Meagher:

Just a quick note of thanks. The two bookshops you referred me to a few weeks back -- "The Last Hurrah" and "The President's Box" -- have been most helpful. Through them I've managed to track down quite a few of the books I thought I'd never see again.

I finally heard from Tom Davis, too. And whatever I couldn't find in the first two bookshops, Davis has.

So, many thanks for pointing me in their direction.

Best,

A handwritten signature in cursive script that reads "Peter L. Brosnan". The signature is fluid and extends across the width of the page.

PS -- Daniel Sheehan of the Christic Institute spoke here last week. I hope you are following his case. Folks out here are calling it the "can opener" that will open the "whole can of worms" going back to Dallas and before.
