

Dear Aunt Sylvia,

Thank you for your generous gift for Jason. I plan to open up a bank account for him to save for his college education.

I was very happy you could visit us at the hospital on Thanksgiving. It meant a lot to me.

Jason is a very good boy. He rarely fusses + cries. At less than 2 weeks old, he already turns from his stomach to his side + back, a feat only

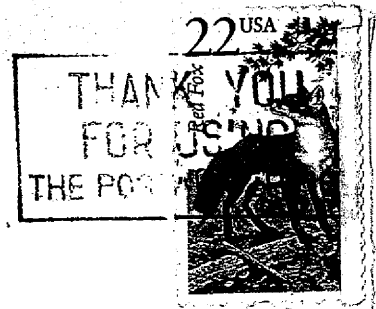

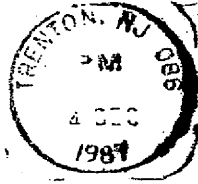

usually accomplished by much older infants. He's amazing.

Thanks again for all your support while I was pregnant. It was quite difficult for me to get through it but for the joy Jason gives me only a small price to pay.

I love you -
always -
Janet
