Sylvia Meagher  
302 W. 12th  
New York, New York 10014

Dear Sylvia,

We spoke by phone some years ago. I have always admired your work on the JFK assassination, and in my writings, call them "classics." I have attached a memo regarding a planned WBAI radio broadcast. I would be honored if you would consent to participate. I have informed Mr. Hutchison, the producer, that I would write this letter of inquiry.

Sincerely,

A handwritten signature in black ink that reads 'Jerry'.

Terence M. Ripmaster  
Professor of History
