Dear Sylvia,

What a delight to hear you here Sunday!

At 11:00 pm we watched the news on CBS and heard of the traffic tie-up on the Jersey Tpk. and thought -- Ah no! Sylvia took the bus to avoid the traffic and look what happens. Were you delayed?

I've written Cyril and sent on all the Xeroxes you left with me plus my own correspondence with Ben Marshall. In a covering letter I offered the suggestions we approached Marshall that we discussed. For the moment it's up to Cyril.

Must see you again soon and so some of things quiet down here -- end of term, etc -- I'll tell Bob Bantz up to New York.

T. Beckel,
Tim

P.S. Our breakfasts for the last two mornings have been brightened by the extra joins & jellies you left with us. Thanks!
