Dear Mrs. Meagher:

You May not remember me but about two years ago I talked with you on the phone for about an hour about the Kennedy assassination. I would like to thank you for your time. Have you done any work on the case lately? I heard from Mr. Penn Jones Jr. that Dealey Plaza is going to be reconstructed by the city of Dallas. Is it true? I would like to order from you(If possible) a copy of your book called the SUBJECT INDEX TO THE WARREN REPORT, since it is not in print any more. In your reply please tell me the price and I will send you a check. Thanks for your help.

Yours Truly,
