Dear Mr. Gale,

Thank you for the interest in my work on the Warren Report which you expressed when I telephoned this afternoon to clarify some points of evidence.

As I promised, I enclose information on how to obtain a microfilmed copy of my out-of-print Subject Index.

Accessories After the Fact (Bobbs-Merrill, New York, 1967) is also out of print but Marbone Bookshops may still have remaindered copies. If not, I will be glad to lend you my personal copy to read at your leisure.

I am grateful to you for providing an opportunity for public discussion of the JFK assassination, which the news media generally shun entirely or discuss in one-sided terms as if the Warren Report had not been thoroughly discredited. On this issue as well as others, your program performs a real service.

With all good wishes,

Yours sincerely,
