

EXAMINED IN DEPTH:

The Warren Report is often wrong, is full of unchallenged contradictions in witnessed testimony, and is based on a closed mind approach.

For these reasons there is no doubt in my mind that the judgment as brought in by the SEVEN COMMISSION MEMBERS — "LONE ASSASSIN" — will be over-ruled.

To believe otherwise would be to dis-believe in America, REASON AND JUSTICE.

If there ever was a real trial to determine my son's guilt or innocence — and there never has been — "I would place on the stand the Warren Commission members and its dubious contribution to American history, the WARREN REPORT."

Also, I would like to state, in my opinion it was un-American of the Seven Commission Members not to include the words "ALLEGED OR ACCUSED."

In Scottish law, as you may know, there are not only two possible verdicts in a criminal case: "guilty" or "not guilty". There is a third: "NOT PROVED."

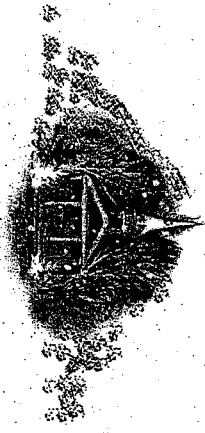

You will note that my son, Lee Harvey Oswald never received his constitutional right of a trial by jury.

Therefore, when referring to my late son, Lee Harvey Oswald, I believe the words ALLEGED OR ACCUSED should be rightly used.
