Senator Thomas Dodd
Senate Office Building
Washington, D C

Dear Senator Dodd,

I have followed with interest your long efforts to curb the dangerous sales of guns and weapons by mail order houses with the hope that suitable legislation would be enacted.

Would it be possible for your office to send me any reports or pamphlets on the subject, including your speeches? I am particularly interested in statistics showing the number of sales by geographical location of the purchaser and, if possible, the crime rate by location for crimes involving the use of weapons obtained through the mails.

I should be grateful for any literature you may be able to send. With best wishes,

Yours sincerely,

Sylvia Meagher
