Dear Sylvia:

I will be glad to work on the tape if it can wait until after the 19th of this month, when I have my last exam.

Beth is out of town - will be back on the 11th.

I heard the broadcast, also the one last night. Thanks for having your niece let me know. You were excellent on the one Friday night (Larry thought so too) - last night, of course, no one got much of a chance. I'm looking forward to tonight. Griffin enraged me in his final speech on Friday. Also I wish Sauvage would come through a little better.

Sincerely,

*Norma*
