Dear Mrs. Stringham,

Many many thanks for the photocopies of the Herald-Tribune story! It is okay to write Mrs. O. as you outline but you might want to know that yesterday I wrote to Channel 5-TV asking for a transcript of the program to be sent to Myers St. I sent Mrs. O. a copy of the letter, so that she will know before you write that I did make an effort to obtain a transcript for her.

I mailed you the articles, as promised, and I hope they will arrive safely in due course (sent as "printed matter" so be patient).

All good wishes,

Sylvia Meagher
