

Dear Mrs Meagher,

Mary thanks for your letter
As a matter of fact I have access to a
set of the 26 volumes (in London University
library) One of the main reasons I was
interested in obtaining an index was
to locate David Ferrie (his name is
in the index to the hearings with the
reference (I believe) VII 14, 29-31 and on
these pages there is nothing to do with
Ferrie but only testimony on Oswald's
arrest)

Another matter that has interested me is
the problem of the Latin American
who helped Oswald distribute the
FACC leaflets, is mentioned in the testimony
of Charles Hall Steele & is visible in
Bringuer exhibit 1 & Pizzo exhibit 4530
The Commission seems to have shown
some interest in this man since
Dean Andrews & Carlos Bringuer are
both questioned on this point.
However without knowing any
more I think we can say that
the presence of this man indicates
Oswald was not as alone as
we are told.
Looking at the preliminary report

FIRST FOLD HERE

from the Commission to the CIA on Gorch Ruby, I was interested by the mention of a Leopold Ducus as someone who was alleged to have received a death threat linked with the assassination. Is anything more known about this man?

Once more, thank you for your kind letter.

Yours sincerely,
Roger Sandell
