Dear Mrs. Meagher

P.S. We live just behind the castle.

Thank you ever so much
for your thoughtful and in-
formative letter!! I'm now
typing the script which is very
long, and to be sure there are
still questions & doubts. Some of which
I hope to be able to discuss with you
later. Now, first of all I have to
get a draft off to a few theatres.
Every day counts! I'm wolf-like hungry
for your book, hope it comes soon.
In general, it's terrible we know so
little on Oswald's life during the last
month. With what we know
he doesn't quite make sense in any way.
Well, we will see -- Kratsner's collection
407 in *Chicago Tribune* was in the *Chicago Tribune*.
Best wishes - thank you again - hope to see
you in the fall of next year.
