Dear Mrs. Meagher:

Vince Salandria, a mutual friend, has suggested that I send you a copy of the notes I made after my visit to the Archives last month. I hope they will be of some interest to you. The best I could find on the autopsy was the reports of Sibert & O'Neil in CD 7, and a statement from the Secret Service which is consistent with the rumor that Bobby Kennedy has the pictures. (I would be glad to send you copies of any of my material - it would be cheaper (free) and maybe quicker than ordering it from Washington.)

I had the opportunity of seeing part of your excellent manuscript at the Ramparts office. I am certainly looking forward to seeing it in book form.

Sincerely yours,

Paul Hoch
