Dear Mrs. Meagher:

I have been to a number of bookshops in New York trying to get a copy of your book ACCESSORIES AFTER THE FACT. No one seems to have it. Of course it may be that it has not been published yet. Could you please let me know if this book is available, perhaps directly through you. I would send you my check if you would let me know the price. If I can't get this book through you, please let me know who does publish it.

Last year I tried to get your SUBJECT INDEX TO THE WARREN REPORT AND HEARINGS AND EXHIBITS. By the time I had asked around and found out that Scarecrow Press had it - they were out of print. I still would also like to obtain this if you could tell me where I might get a copy.

I really would appreciate any help you can give me. Thanks.

Sincerely,

Mrs. Renee Stevens
