

30 September 1967

Susette, dear,

I took my library card out, to mail to you, but noticed that it was stamped "Expires Oct 2 1967"; I haven't used it for a long time and did not realize that it was about to expire. I will have to find time to get to the library to renew it (I guess that must be done personally). Meanwhile, you might buy the book by Ivan Sanderson, if you can find it, as I think I would like to own that one; and the others will just have to wait.

See you soon.

Warmly,
