Dear Mrs. Meagher:

As a topic for an American history seminar report, I have decided to prepare a career line analysis of the critics of the Warren Commission Report. I would greatly appreciate your responding to the enclosed questionnaire. Neither the material nor the paper will be published, and the information will remain confidential. I understand that your time is restricted, but since there is a deadline for my paper, I would like to receive your reply by December 15.

Thank you for your cooperation.

Sincerely yours,

  
Laura J. Donahue
