Dear Suzette,

I hope that you are recovered from the strep throat and that all goes well. The news of my father is now a little more encouraging.

When you have some time and only if it is really convenient, I will appreciate some more stamps (and a receipt):

100	-	6¢	stamps	\$ 6.00
30	-	10¢	"	3.00
				<hr/>
				\$ 9.00

Do you have enough money left out of the money I gave you? If not, please let me know. There is no hurry about this.

Allegra joins me in wishing you and Mel the happiest New Year, and happiness always.

With love,

Sylvia
