Dear Sylvia Meagher
just read Popkin in N.Y. Rev. of Books, -
elucidates a great deal. We will be in New York
~~in~~ in mid-October and I will call and
find out when your book is to be published.
Swedish theatres have got my play but had
no one who will give it a try. Will try to make
an English version shortly and thrust myself
into the international JFK assassination play's
competition... but wisher Oyvind Fahlstrom
