Dear Mrs. Oswald,

This is further to our telephone conversation of today concerning the delivery of the package containing a rifle mailed by Klein's Sporting Goods, Inc., of Chicago. I should like to refer you to my book, ACCESSORIES AFTER THE FACT, pages 45 to 64 ("The Short Bulky Package") and in particular to pages 49-50. As you will see, the Warren Commission made no attempt to determine who received delivery of the package. There is no evidence and no proof that the package was delivered into the hands of Lee Harvey Oswald.

You will find in this section of my book a detailed analysis of the known facts as contained in the Hearings and Exhibits and in documents in the National Archives, with exact source references and quotations from testimony and documents, which led me to the strong conviction that Lee Harvey Oswald never received or possessed the rifle in question.

All good wishes,

Yours sincerely,
