Dear Mr. McDade,

Thanks for letting me know about the Peter Dawnay newsletter. I wonder if it is not the same newsletter about which Joachim Joesten wrote to me? His is bi-weekly, @ \$45 a year. Since Dawnay has done some of Joesten's books, I assume he is also merchandizing the newsletter. If you can xerox the cover page, or lend it to me, that would be helpful (if not convenient, don't give it a thought --these bulletin-type publications are not very useful anyhow).

I had a brief visit from Mr. W. G. Thompson, who was en route to England and kindly gave me a copy of his just-published bibliography. I believe you have one already.

Best regards.
