Attention: NND

Dear Mr. Eckhoff,

I should like to thank you for your memorandum of 8 August 1969 and for your prompt response to my order for Warren Commission documents. I am pleased to learn that the fee for electrostatic copies has been reduced to 10¢ and that you have been good enough to set up Deposit Account No. 58348 in my name, with a credit of \$6.70. I believe there will be an additional credit of \$1.50 arising from my order of 5 August 1969.

At this time, I should like to order certain additional documents, as specified below, totaling 80 pages by my sometimes faulty arithmetic (I note that I mistotalled the number of pages in my order of 30 July, for which I apologize).
