My dear - may I call you Sylvia?

I am sorry I can't keep little Allegra while you are in Tepal. Perhaps next time it will work out just right.

I will have Mrs. Korman's kittens until some time in September. They are Siamese.

I am enclosing my check of 10.50 50¢ is for the kitty litter. When we have a chance I will return the litter pan. Then at a later time we can start from scratch - if you should need me for little allegra -

I hope you will have a wonderful trip beside all the research you'll need to do. It was such a pleasure to meet

you,

Sincerely,  
Gay Kellogg
