Dear Mrs. Meagher:

In response to your letter of September 11th our records show that we received a \$3.00 check from you on September 9, 1969 renewing your subscription which was expiring in September 1969. The amount of the check could hardly cover a three year period as you state in your letter.

As of January 1, 1970, the yearly subscription rate went up to \$4.00 for 10 issues (we still do not publish in July and August). Should you wish to renew your subscription for another year kindly remit the above mentioned amount, otherwise your name will be removed from our subscription list.

Very sincerely yours,

*Helen V. Atlas*
