Dear Sirs:

(Attention: "Ballet Music"
program arranger)

Last night (Saturday) on the ballet music hour the concluding selection on the 10:30-11 pm segment was Dim Lustre, adapted from the Burleska for Piano and Orchestra by Richard Strauss, piano soloist Rudolph Serkin.

I should be very grateful if you would inform me of the record label and number, as I should like to add this exceptionally fine recording to my collection and I do not find it listed in my catalogue.

Your assistance will be warmly appreciated.

Yours sincerely,

Mrs Sylvia Meagher
