

15 March 1971

Dear Uncle and Tanta,

I am happy to tell you that my niece Susan gave birth to a son, her first child, on the 2nd of March. The baby is named for my dear father, Robert Charles Kaplan. My youngest niece, Diane, is expecting her second child in May. So our small family is slowly growing larger again.

It was very nice of you to write to me, I was glad to hear from you both and I hope that you are well, and your children and your grandchildren are giving you happiness.

My work at the UN and my other interests keep me very busy and fortunately my health has been good. I am grateful for your invitation for Passover but it would be impossible for me to leave New York.

Let us stay in touch, and I will write you again when Diane has her child. I sincerely wish you a happy Pesoch and all good health. With affection and thanks for your letter and for thinking about me,

Your niece, with love,
