

Dear friend:

Ruby and I were shopping for particular cards for particular friends - and the thought - "touch all bases." If the mail hasn't already answered the question for you - it will.

I claim the "Shrapnel" at Strauss "award for 1970." John Connolly - Sect. of Treasury will have legal control of secret service reports/documents. Mrs. Nixon is trying to give all opportunity to get it out in the open. What are your thoughts?

Very few teachers

of me as nice to have as you.

You're special

because of the extra things

You take the time to do.

That's why this holiday greeting

is coming to express

Many thanks and warmest wishes

For your happiness!

Merry Christmas

Happy New Year
