Dear Sylvia,

There is essentially nothing to report from out here since my letter of 5/21. If the House hearings actually happen after Labor Day, as rumored, I'll try to be there.

Enclosed are the list for FBI items #463-487 plus all those documents (34 pp); X also, the list and notes for #490-525 plus the new stuff (28 pp). Finally, the last word on the Mexico Mystery Man!

With best regards,

Paul
