Dear Sylvia,

976 pages of FBI documents have been copied and packaged, and UPS will pick them up Monday. Enclosed are the only 2 pages of notes I have had time to do. ~~My~~ Have fun!

Also enclosed: p. ~~from~~ 6 of item #290 (which you should have), where the Givens domino room ~~room~~ encounter is placed at 7:30 a.m. (Of course, it's pretty safe to assume that Belin didn't know about this reletype in 1964, and he must have believed that the FBI didn't make mistakes!)

I'm in a real rush trying to get ready to leave on ~~the~~ Thursday for D.C. I expect to be staying with Bud, starting 9/3. I expect you'll be hearing from me; and, if you can't resist, maybe we'll meet in Washington.

With best regards,

Paul
