Dear Miss Meagher,

Thank you for sending me your articles from THE  
MINORITY OF ONE.

I appreciate what you have to say, but I must tell  
you that we have done our best not to profit by the as-  
sassination in any form. Even on the Manchester book  
we are holding our profit down to the lowest possible  
return based upon the average earnings for the previous  
fiscal year. So, while I read your articles with in-  
terest, I'm afraid we cannot ask to see more.

Sincerely,

Evan Thomas
