

30 December 1966

The Editor in Chief
Paris Match
Paris, France

Dear Sir,

In the 26 November 1966 issue of Paris Match on page eleven of the article "Le Mystere Kennedy" in column three a reference to my work followed by extensive excerpts from my article "Notes for a New Investigation" which appeared in the December 1966 issue of the American magazine Esquire.

Paris Match does not indicate the source of the excerpts from my article.

May I inquire whether the use of part of my article was authorized by Esquire magazine? My question is not at all in a hostile spirit, as I am entirely in favor of the widest possible public dissemination of the facts in the case. It is merely a point of information for my guidance in future transactions involving magazine writing.

With thanks for your attention to this matter,

Yours sincerely,
